	Applied Studies	Preferably studied D&T in Year 9	Food and Nutrition Certificate III in Early Childhood Education and Care*
Other (Occurs on Wed P4 and after school)	Aviation		Aviation*
	CISCO Networking Academy	Preferably studied INP in Year 9	CISCO Networking Academy*

* Subjects known as Applied Subjects which used to be known as a [study area specification](#) (SAS) or a Vocational Education and Training VET subject. No more than one of these subjects may contribute towards an ATAR (previously OP).

+ International Baccalaureate Subjects

NOTE:

- When Year 9 students have submitted their initial subject selections in OneSchool (<https://oslp.eq.edu.au>) for Year 10, groupings or lines of subjects will be made to ensure that as many students as possible are able to study their six chosen subjects. These combinations will then become the **actual choices available** to students who will continue Year 10 at Indooroopilly State High. These final selections will also be made via OneSchool (<https://oslp.eq.edu.au>)
- The Principal reserves the right to delete an elective subject if there are insufficient numbers to form a class of viable size.
- Changes of subjects can be requested by students at the end of Semesters. A change will only be made after a series of permissions are obtained from Parents, the Guidance Officer and relevant Heads of Department and Teachers. The Deputy Principals will finalise the decision to change subjects.
- Students who choose more than two VET or SAS subjects may not be eligible for an ATAR score at the conclusion of Year 12. These students will be awarded a "student selection rank" which may be used for tertiary applications, particularly at the TAFE level of courses.*

INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAMME POTENTIAL CANDIDATES

Students planning to study the International Baccalaureate Diploma Programme (IB) in Years 11 and 12 should elect a course of study in Year 10 that will prepare them for the Diploma Programme.
