Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 Investing for Success agreement, it is clear that we have made significant progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Improving teaching through the embedding of the school’s Observation and Feedback for School Improvement Strategy
- Increasing achievement through the use of data gathered from annual standardized tests in English, Mathematics and Science for all students in Years 7, 8 and 9
- Ensuring pedagogical continuity and school-wide alignment through the provision of Professional Development of all teaching staff in the Art and Science of Teaching
- Providing additional in-class specialist EALD and SWD support for identified students in all year levels
- Employing teaching specialists to support differentiation practices in the classroom through the provision of high quality resources and teacher modelling, with a focus on Years 7, 8 and 9.
- Increasing engagement and attainment through the provision of additional support services including guidance and academic coaching for students in Years 10, 11 and 12
- Increasing attainment through improved partnerships with business and tertiary sectors and the promotion and tracking of external pathways for students
- Re-designing Year 10 curriculum as the first year of Senior Secondary
- Implementing the Rigorous Reading approach to increase reading comprehension and high-order thinking across all year levels
